CAKE STYLES

We are happy to work with you to create a style of cake that fits the mood you have envisioned for your wedding.

Each tier is made up of four layers separated by butercream and preserves in a style selected by you.

The individual tiers can be elevated by Grecian columns, creating an airy and classical style. Or, for a traditional look, the layers can be placed directly on top of each other.

WATERGATE POUNDCAKE

A classic American vanilla sponge cake kept moist and rich with eggs and milk.

GROOM'S CAKE

A tradition that is seeing a revival - it can be any special cake, often contrasting the style of the wedding cake.

PRESERVES

strawberry
apricot
raspberry
marmalade
blueberry

BUTTERCREAMS

strawberry chocolate
raspberry mocha
coffee hazelnut
almond orange
lemon white chocolate
